DOCTOR WHO

EPISODE 2: SATURDAY 6 APRIL 2013

TITLE: THE RINGS OF AKHATEN

WRITTEN BY NEIL CROSS DIRECTED BY FARREN BLACKBURN

"I've been FIGHTING CYBERMEN and CHATTING to ALIENS"

We talk to **JENNA-LOUISE COLEMAN**, who plays **CLARA**, the Doctor's brill new companion!

Hi, J-Lou! Can we call you J-Lou?

» Doctor Who Adventures

Jenna-Louise: Ha! I've never been called that before. I get Jayonce and JLo. J-Lou... I like it.

How are you finding life on *Doctor Who*?

» DWA reader, Harry Gibwin

J-Lou: Brilliant. Mad. The last couple of months have been this incredible whirl of fighting Cybermen, running down corridors, chatting with aliens, being on alien planets and going under the seal

How much fun is it to play different characters?

» DWA reader, Scarlet Jones

J-Lou: I love it! Being in all the different costumes is so much fun.

What is it like working with Matt?

» DWA reader, Leo Ford

J-Lou: Matt is very, very generous. We have this relationship where I have so many nice things to say about him but I don't want him to know!

We won't tell him...

J-Lou: Well, he's got more energy than anybody I've ever met! I couldn't imagine a more perfect leading man, to be honest. The way he is and the way he is to the crew, he's just wonderful. When I turned up in the audition room, he just hugged me straight away. He's so open and kind and generous.

DOCTOR DOCTOR!

SHOT!

HAVE YOU GOT A QUESTION FOR THE TOP TIME LORD?

I'M GOOD!

NOT AS GOOD
AS ME!

GOOD OR BAD?

Dear Doctor,

I'd like to know how you can tell if different aliens are good or bad?

Primrose Penney

THE DOCTOR REPLIES:

Primrose Penny – that's an **awesome** name! I've never met a Primrose before. Are you good or bad, I wonder? How would I know? The thing is, Primrose, you can't **always** tell. Generally, if someone tries to **blast me** with something, **scare me** or **lock me up**... I get the impression they weren't **taught any manners** at school.

STICKY PROBLEM

WEIRD
LETTER
OF THE WEEK

Dear Doctor,

Today I found a strange clam that turns whatever it touches into stickers? What is it?

Jack Tomlinson

THE DOCTOR REPLIES:

Jack! I've never heard of anything like that before. I'm worried that by the time you read this it might be **too late**. Has it got you yet? If the strange creature hasn't, it's probably best **you don't touch it!** But if it has – cool, **everyone** likes stickers. Hopefully you're not stuck somewhere horrible – like on the back of a maths book, or an old newspaper, or on a **Sontaran's bottom**.

Dear Doctor,

Have you ever been to Australia?

Martin Husak

THE DOCTOR REPLIES:

Marvellous place, **Australia**. The planet with 10 suns, zero gravity, purple sands and the locals with three heads. Is that where **you're** from, Martin? If so, **hello, hello, hello** to each of your heads. Oh, hang on! You mean the country? Yes! Lovely place!

MONSTER MAIL CYBERMEN

**THIS
WEEK:**

**FAMILY
MATTERS**

Dear Cybermen,

Cole Smith

MUM? DAD?

A CYBERMAN REPLIES:

What is 'family'? We do not understand, therefore your question is not important to us. Cybermen only desire humans to **upgrade** to become like us. You will look like us and sound like us and live forever as Cyberkind. The simple answer is **yes**.

FILMING THE
ARRIVAL

1 In the first episode of the new series, the TARDIS lands in London and the Doctor takes his new friend, Clara, on an exciting bike ride through the city!

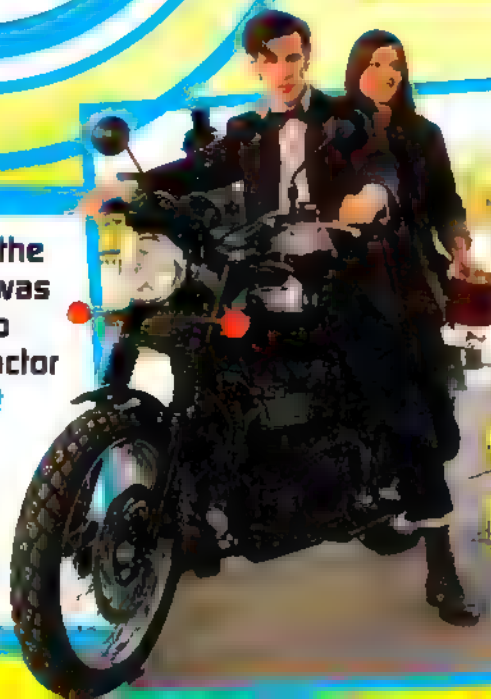

COOL BIKE!

GETTING
READY!

2

The back of the police box was removed so that the Doctor could burst out of the TARDIS on an awesome motorbike.

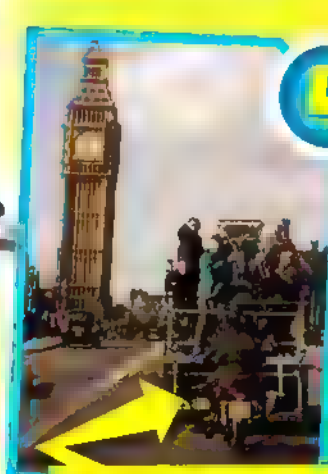

MATT AND
JENNA

To film the Doctor and Clara zooming around the streets, the bike was attached to the back of a small lorry with a big camera on it.

This allowed the camera to get close-up shots – and leave Matt and Jenna to concentrate on their lines instead of traffic!

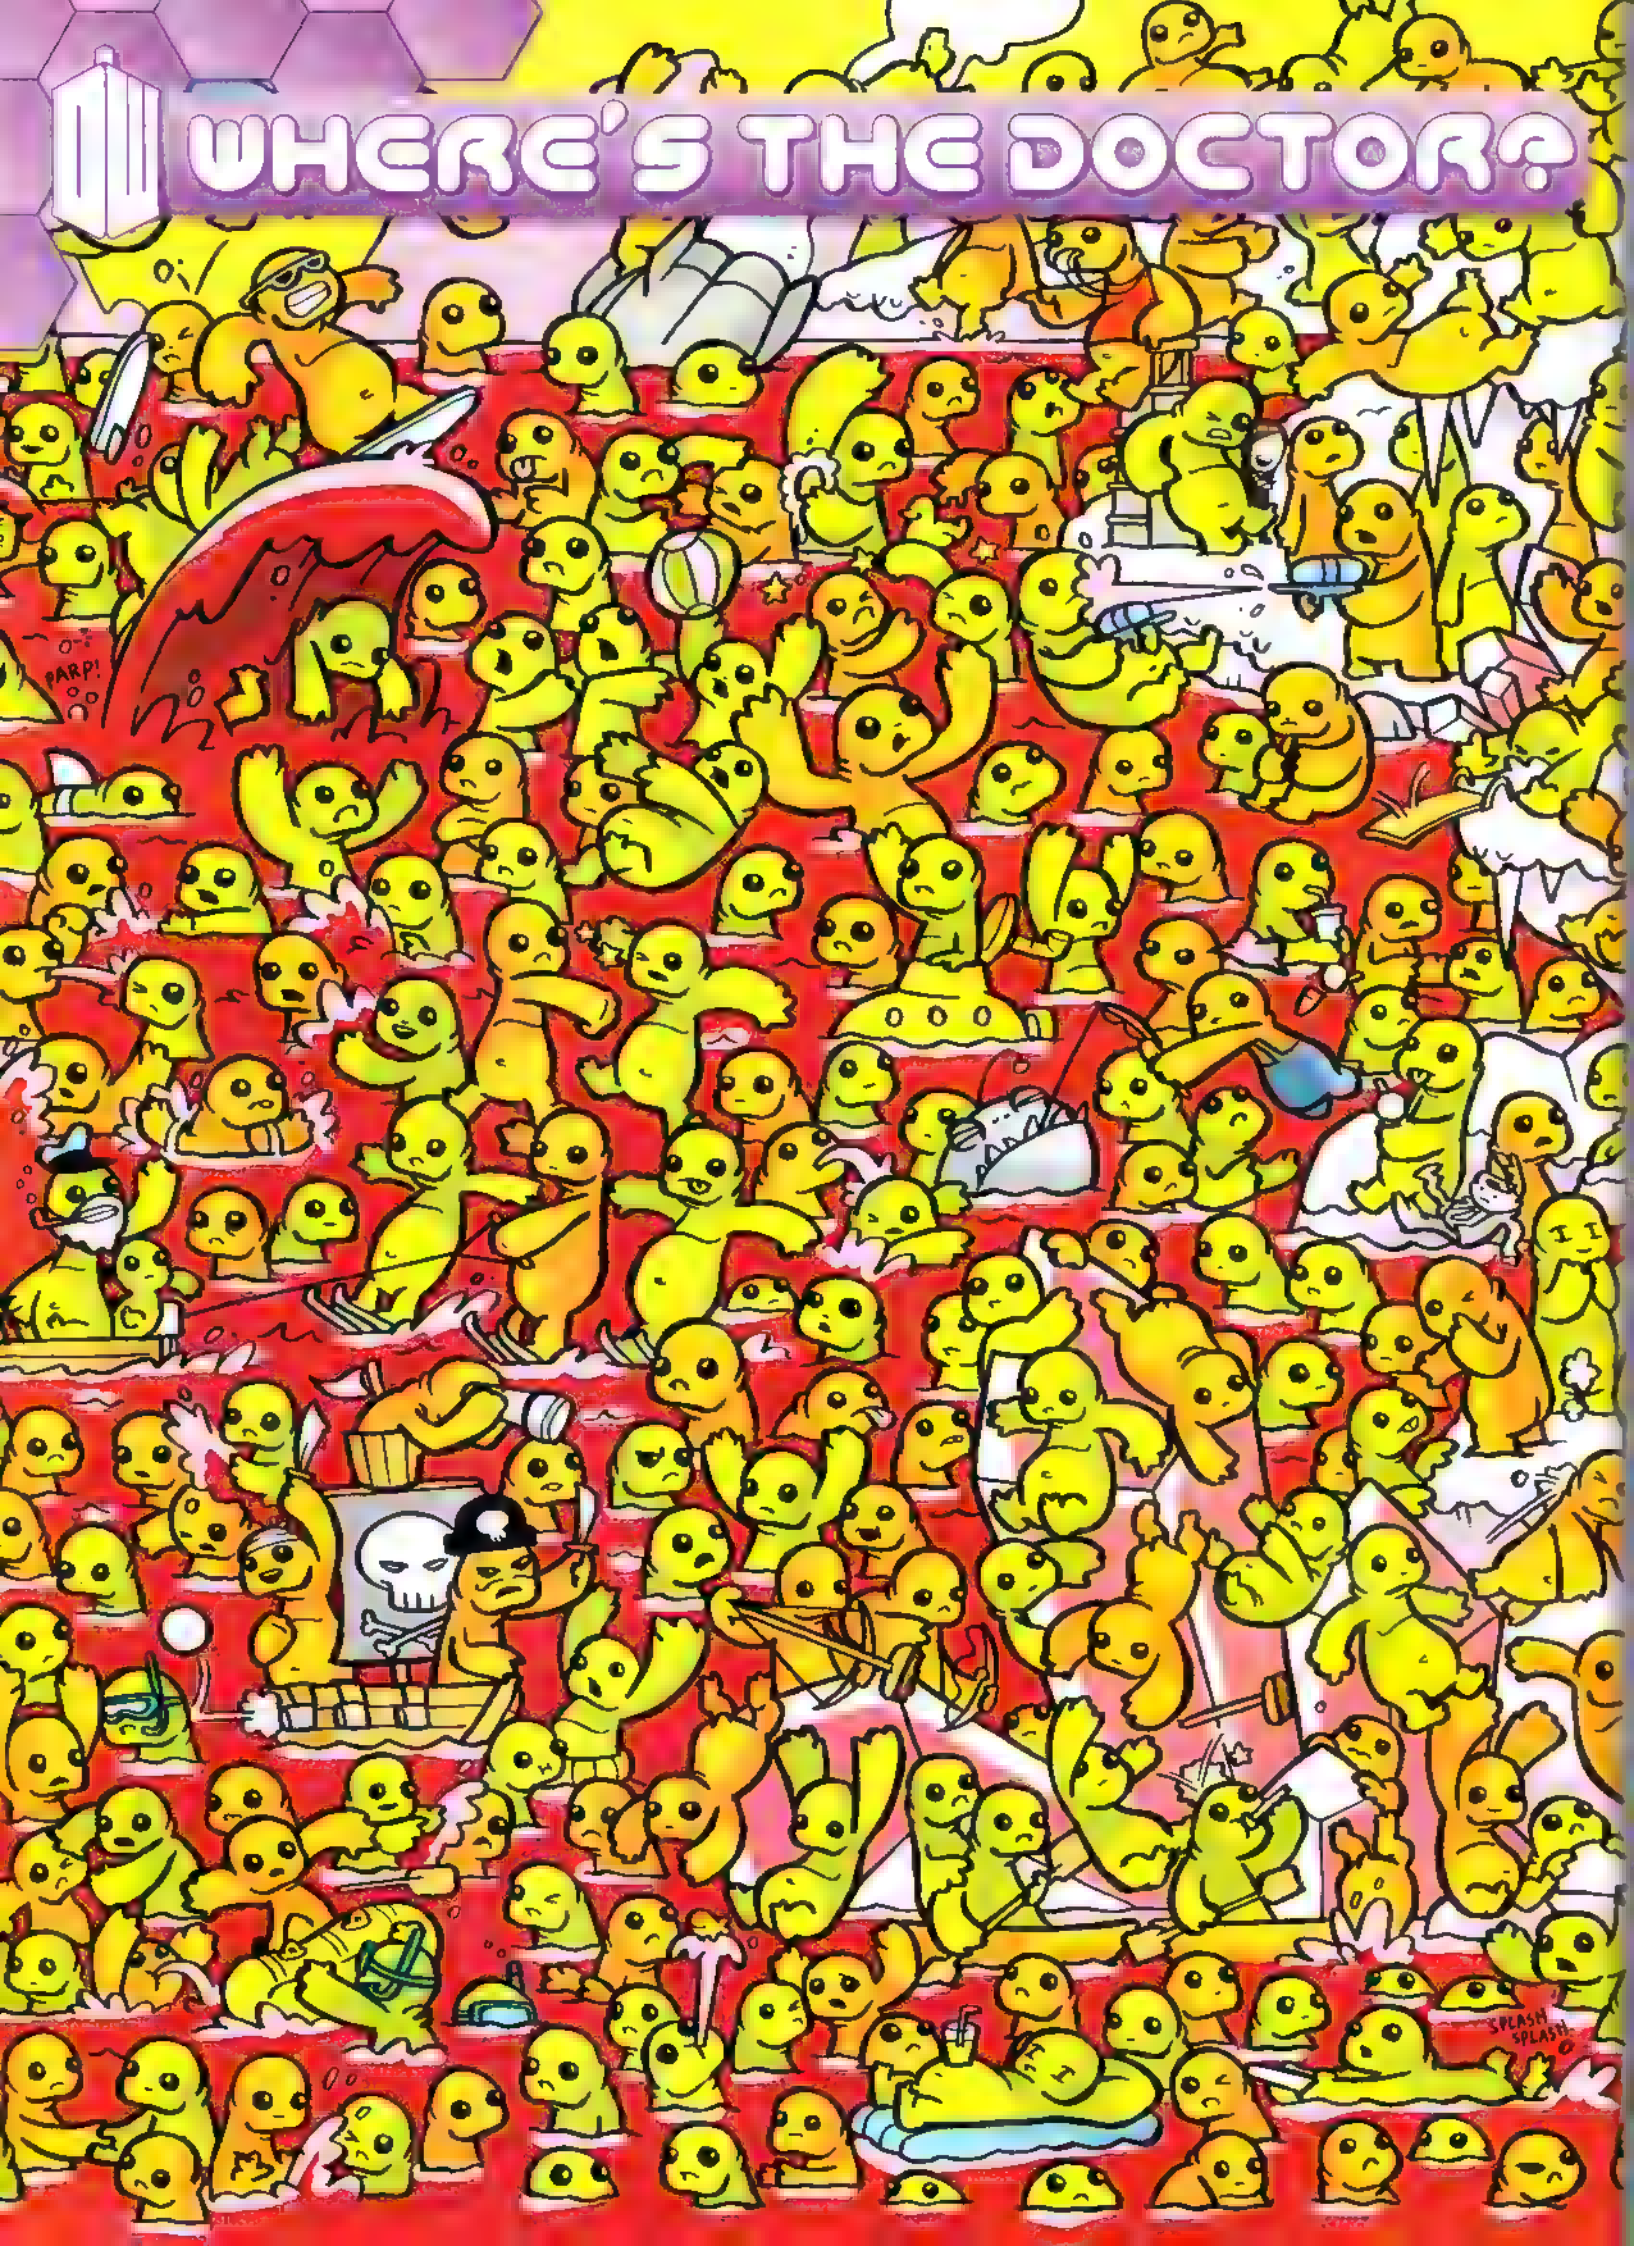

Police bikes travelled in front and behind the lorry and Doctor's bike to help the crew film all the scenes.

To film other shots, a stuntman dressed as the Doctor and sped off around the streets without the lorry.

PLAYED BY:

Tom Baker (1974-81)

This Doctor was very funny and very clever – often quickly switching between the two. He might have acted strangely, but he was a genius who loved exploring!
